This article has been corrected: The correct title for figure 5 is given below:

Figure 5: Subgroup analysis of nuclear P207 LysRS according to Lymph nodes positivity. Disease free survival of wild-type EGFR patients with (positive) or without (negative) cytosolic (A) and nuclear (B) LysRS. Disease free survival of mutated EGFR patients with (positive) or without (negative) cytosolic (C) and nuclear (D) LysRS.
