

## Correction

**Correction: Flow based single cell analysis of the immune landscape distinguishes Barrett's esophagus from adjacent normal tissue**

**Published:** August 20, 2019

**Copyright:** Sen *et al.* This is an open-access article distributed under the terms of the Creative Commons Attribution License 3.0 (CC BY 3.0), which permits unrestricted use, distribution, and reproduction in any medium, provided the original author and source are credited.

**These articles have been corrected:** Authors Anil K. Rustgi and Erica L. Carpenter contributed equally as corresponding authors. The footnote to the author list indicating both individuals as co-corresponding authors was unintentionally omitted. The proper footnote has now been added as shown below:
